## Included controls

### Remote

Enjoy added convenience with the included remote—control every function of your fireplace, including power, flame height, and blower speed, from the comfort of your couch.

## Innovations

### See-through

Experience the captivating ambiance from multiple rooms simultaneously.

### Battery back-up control

In the event of a loss of power, your fireplace will still light and keep you warm—requires 4 AA batteries or power bank to charge (not included)

### Direct vent

Effectively removes exhaust and fumes from your space, keeping your indoor air clean while also conserving energy.
